

# Böttcher Press Force

## Industrial Strength Cleaner & Degreaser

### Uses

Highly concentrated water-based industrial strength cleaner and degreaser. Dilutes up to 1:64.

### Application

Directions For Use: Economical use is best obtained by diluting with water to suit the cleaning requirement. Adjust levels to meet your specific requirements. Use hot water to enhance cleaning power. For removing heavy ink coverage and very hard and dried ink, dilute 1 part Böttcher Press Force with 1 part Blanket & Roller Wash (sold separately). Allow to penetrate and rinse clean. The following dilutions are recommended as guidelines:

- Heavy soil: use as is or dilute up to 1:14
- Medium soil: dilute from 1:5 to 1:20
- Light soil: dilute from 1:21 to 1:64
